rener bill.

Mr. sherman offered an amendment to the 4th section, providing that on the redistribution of hanking circulation the redection shall commence with banks having an excess of circulation, and the redection shall commence with banks having an excess of circulation, and having withdrawn one third of the excess above a million shall then proceed pro rais with banks having a circulation exceeding one hundred thousand dollars. He said he had consulted the Secretary of the Treasury and Comptroller of the Currency, who favored the course provided for in the amendment, which was designed for refleve smaller banks in States from which circulation was to be drawn. The amendment was agreed to.

Mr. Pool then offered an amendment of the Currency and the the course of banking privileges granted by the National Currency act, the United States beads, which shall here after the deposited to the treasury as pledge under provisious of this law, shall, during the time they remais therein, bear interest at the rate of only the prevent, and that the bonds already on exception of the interest only at the rate of 3 per cent, during the time they remained therein in ampoort of this amendment, Mr. Pool addressed the Secretary of the time they remained therein in ampoort of this amendment, Mr. Pool addressed the Secretary of the provision of the interest only at the rate of 3 per cent, during the time they remained therein in ampoort of this amendment, Mr. Pool addressed the Secretary of the Provision of the interest of the Amendment of a Content of the Provision of the secretary of the provision of the interest only at the rate of 3 per cent, during the time they remained therein in ampoort of this amendment, Mr. Pool addressed the Secretary of the Provision of the provision

numbered in communa water to the Ministry little.

The second section requires stricments of the stock of tobacca, small or cigars manufactured prior to the 23 tol Nov 1865 on which the tax has been paid but not stamped, to be made

tis his best pald but not stamped, to be made within sixly days. The third action requires the Commissioner of Internal Revenue to have smadle special stamps prepared. The fourth recolon problems the withdrawal from bonded warehouses of tobacco, sunfl or eigars unless put up in packages and stamped. Mr. Hooper explained the object and provision of the bill.

Discussion took place in reference to the eiger provisions, which was participated in by Messis Hooper, Allison, Butler, of Mass., Stevens and Jud.

Mr. Allison moved to strike out the exasgraph in reference to the withdrawal of distribed about a strong content of the withdrawal of distribed apprix from tonded warehouse, and signed in advo-

room conded warroomed, and angule in according to the motion.

Dispussion on that authent was by Mesco-Ketty, Butler, Logan, Garfield and others.

The question was then taken on Mr. Althron's motion, to strike out the provision extending the time for withdrawing whitsly from bonded warehouses, and the provision was attuck out—vess 80, may 59

rrouse at half past four assount division and the rrouse at half past four assount division and the rrouse at half past four assount division and the rrouse at half past four assound division and the rrouse at half past four assound at half cast twelve for check this morning, just cast of Eure ka. The eastern bound freich it train while crossing the bridge, 1300 feet long, at that place, was thrown from the track by a broken rad. The engine was picked from the bridge, flurating completely over in its descent and aughting on its wheels. Nine cars were detached and many badly damaged. The engineer, Corry, was as versily injured. Seventy five free to the bridge, such as a way and the whole thing, train, bridge and road, are a perfect week.

General News.

Naw York, March 30.

The Hersid's Richmond special says: Gen

Honeman to-day issued an order continuing the
cheriffs and magistrates under Chapier 36 of the
Code of Virginis in office till their successors
quality. This will probably stay the efficial clash
that has occurred show the promulgation of
Stoneman's sweeping removal order. The records show that the whole number of \$2.54; of
these 16; were made by General Reufeld, in
1857, and ST, in 1858. The number of spointments made by Gen. Stoneman in 1866 number
of 175, and in 1864, 1, 887. The whole sumber
of offices in the State is 5.451, of which 2.997 are
yet to be filled in the next month, as their successors
to has also had to fill. It is exarcely probable
that the entire number of official positions can
be filled in the next month, as their successors
common to found. Appelsaments to the offices
of Auditor, Secretary of State, and Register of the
Land Offices have not been made.

The Commissioners of Emigration yesterday
concluded their examination into the horrors of
the fever ship James Fouser, Jr. The criticine
corroborated thin previous testimosy, and the
committee was dissolved.

The inquest on the body of the convict Leckwood was held yesterday by Coroner Fiyan, and
during the day the Westchester county coroner
made a demand for the hody, but without avail.
The testimony showed that Lookwood surrandcred to some one who he called ceptain, and
while talking to film Stillvan advanced, and atthough be Pitcousty begred his life, shot him,
and ster the life kicked him. The inquest was
secontend until to-day.

The case of Real, condemned to execution
text Friday for the marder of afficer transition The Petroleum market was steady to-day, for the first time in several months, and prices were without any material alters on. At points north of Petroleum

and just he lell kicked at im. The inquest was assoured until to-day.

The case of Real, condemned to execution until Friday for the murder of officer Smedick, was brought up in the Superior Court yeaterday on a motion for a stay of proceedings. After argument by ex-Judge Stuart and the District Attorney, the court took the papers and reversed its decision. Its decision.

The counsel to the Board of Police has decided that there is sufficient ground for a civil action against ex-Captsin J. S. Young for the recovery of the money received by him as rewards for services.

Nothing now has been discovered in regard to the unknown man whose mouldised hade was

the unknown man whose mutilated loody was found in the North River, near Sybil's Cave, Hobokee, Se Sunday morning.

Judge Barnard of the Supreme Court to-day issued an order directing Sheriff Break to open the safe of the Union Paculic Raincad Company, in order to get at the books and papers.

Brire-- 4000 \$3.10,000.

Br. Lotts, March 30.

The looses by the fire last night are still uncertain, but the following are some of them. The Henry Atkins was valued at from \$25,000 in the Floating Dock. \$5.000 in the Independent, of Boston, and \$5.000 in the Independent, of Boston, and \$5.000 in Cincinnati offices. She had 2,200 tons assorted cargo estimated at \$70,000.

had 2,200 tons assorted cargo estimated at \$70,000.

The Ben Johnson was worth \$30,000—insurance not known. No Largo.

The Girard B. Alien was valued at \$75,000, insured for thirty thousand—\$1,500 in Pittaburgh offices, and five thousand in the American, the emissible not ascert uned. The hull is but in the damaged. Insurance on her cargo was \$10,000.

MIDNIGHT DISPATCHES. BY THE WESTERN UNION LINE.

VERY LATEST NEWS.

FORTY-FIRST CONGRESS. Washington, March 30.

Mr. Wilson reported a joint resolution for the payment of pensions in person and not through atterneys or claim agents. Laid over. The bill continuing the Frederices hospitals at Richmond, Vickburg and in the District of

Mr. sherman edlered an amendment to the 4th

HOUSE.

announced.
Mr. Butler asked unboimous consent to act on it, but Mr. Brooks objected.
A bill was reported to com one, three and five cent pleces of nickle copper ms proportion of 25 to 33 per cent of nickle to the legal tender up to fifty cents. The bill omits the closes in the former bill for the suppression of ten cent notes. The coinage will smooth to about \$2.5, 000,000. After discussion the birt passed.

notes The coinage will amount to about #17,000,000 After discussion the bull passed.

The bill renewing Miller's patent for improvement is surface condensors for strong engines passed.

Also the bill for the release of Atkins' self.

The House then proceeded to haviness on the

nassed.

Mr. Dawes offered a concurrent resolution for

division

Mr Pine, from the Committee on Ebedous, reported that Jacob P. Reed, claiming a west from the Third Congressional District of South Carolina, is incompletent to take the test out. Mr Randall, from the minority of the corn militer, assented to the report and produced to the Committee on Reconstitution.

Mr Hooper called up the motion to reconsider the vote by which on the 18th Instant the bill to amend the act of July 20, 1868, imposing taxes on dielified spirits and tobacton was referred to the Committee of Ways and Messas The vote was reconsidered and the bill came be torse the House for action.

It amends section 8th in reference to the own reship of real earths on which distillerlies stond, by allowing in cretain cases a hond to be taken. It amends section 20th by providing thir in distilleries of a producting capacity of less than one hundred galons in twinty from hours, and in which grain or meal is mashed by hand or without the use of steam.

It am note section 36 by extending the time for drawing distilled apirits from bonded warrhouses until the 20 h of April, 1870, using at low an additional tax of one per cont. proof gallon per month.

in reference to the withdrawal of distilled apirita from bonded warehouses, and argued in advocacy of his motion.

We hope that every producer in the region villattend the meeting at Off City to day, as business of the utmost importance to the producers, and to the general wesfire of the trict, will be brought before it. The producer ought to awaken to the necessity there is for adopting immediately some plan of action to thwart the schemes of the colleged and pipe monopolists. If the Free Pipe law be pussed, will be present only by come r of action, and the only way to obtain this is to attend the meeting only way to om on the day, of the Association to-day,

ganization of a provisional government for the State of Mississippi. It calls into existence the old State Constitutional Convention, and gives Convention the following in addition to the wers now authorized by law. It can appoint to remove and appoint registrars, and judges, of etions, it is required to submit the Constitu r without amendments; it is authorized to pass \$1,000 in value, together with household furni ne and other things necessary for the support for the collection of debts. The Constitutor longress for approval. The military communder in Mississippi, upon the requisiquired to furnish troops for the preservation the peace and the enforcement of the laws the President of the United States may remove he more sonal governor if he Canks proper and the bill previous that any person not having struct others from young by threats, bribery, or locuse pointed strine, and shill, on conv.c-locused guilty of verime, and shill, on conv.c-lon, be fined \$ 90% and be imprisoned three hought they will be sufficient to secure a peace able apposition to the bill in Committee, but General Butter defended it so ably that he lin illy seemed a majority in its farof, and he will

tracted a select and appreciative audience The night was stormy, and Union Hall possesses neither the attractions nor accommodations of carithan Hall, but Mi. Tajfor's lecture, we feel assured, gave a greater degree of satisfaction than any that has preceded it. There is no such thing as reporting the discourse so as to convey the effect which its delivery inspired "Failures the Alphabet of Success" is a prose porm, earnest and practic lin its scope, that and vivid must of his sum will score of profit and the Alphabet of Success, is a prose porm, earnest and practic lin its scope, that and vivid must illustrations, and abounding in the exquisite farmes and rhetorical aplendors which so peculturily distinguishes all of Mr. Tajfors addresses. His cloquence sets the blood with giving systematic and imparituristic states as peculturily distinguishes all of Mr. Tajfors addresses. His cloquence sets the blood with growing systematic and imparituristic states are equal. The fine-set form of 180 sets of 171,711 billustrels, or an average of over 10,600 barrels per day. This, at the moderate struct of Riper harrel, amounts to the convert form of 180 sets of 171,711 billustrels, or an average of over 10,600 barrels per day. This, at the moderate struct of Riper harrel, amounts to the very controlable sum of \$50,080 per day, distributed among the imbulations of a region of the convertibility of the very controlable sum of \$50,080 per day, distributed among the imbulants of a region of the performance, that we are confident there will be presented unitable to the distribution of a region of the convertibility of the very controlable sum of \$50,080 per day, distributed among the imbulants of a region of the convertibility of the very controlable sum of \$50,080 per day, distributed among the imbulants of a region of the convertibility of the very controlable sum of \$50,080 per day, distributed among the imbulants of a region of the convertibility of the very controlable sum of \$50,080 per day, distributed among the imbulants of a region of the convertibility of the very controlable sum of \$50,080 per day, distributed the per day of the very controlable sum o

STARBING AFFRAT - A MAN STABRED FIVE Times . Early yesterday afternoon on officey occurred at the Emplre House, on Spring stree atin, which resulted in the latter being stabhed with a pocket knife in the hands of the for mer. It appears that both of the mon named were on's drunk, and got into a quarrel with trivial matter, and acted in so disorderly a manner that the proprietor of the house put them out. On reaching the street, Austin pitched into Gilson with his fists, when the latter drew his knife and stabled Austin five times. The knife ok effect tour times in the left shoulder, but the fifth time it penetrated the left side to a depth of several luches, rutting the lung and Miller and taken before Justice Stronge, who
